

This is an excellent opportunity to join the LVT community of practice:

Reflect and learn from your own experience with LVT, as well as from that of fellow professionals.

Gain new knowledge through expert inputs on emerging themes.

Deepening understanding of what works in the Logovisual Thinking process and the ways in which it is being applied across all sectors.

Why should you attend?

A must for LVT Practitioners, these events also present a unique opportunity for those new to LVT to join in as a precursor to going deeper.

- Network and learn with Practitioners in an informal, supportive climate
- Feed into, and from, the growing knowledge base of LVT applications and expertise.
- Discover how LVT is adding value across sectors and specialisms
- Refresh your appreciation of the value of LVT and gain insights on key aspects of the method
- Embed your own learning through sharing your own experiences
- Substantiate your **Accredited LVT Practitioner** status through peer accreditation

Your contribution

All participants are requested to come prepared with something to share from their experience with LVT.

- 15 min presentation 50 min interactive session

Brief Description:

We will liaise with you prior to the event to sort out any presentation logistics and to finalise the programme

Logovisual Thinking in a nutshell...

LogoVisual Thinking (LVT) is a practical, hands-on methodology for freeing up thinking and unblocking potential. It has applications across sectors, ages and abilities and is thus a true medium of life-long learning.

Best Practice events allow Practitioners time and space to deepen understanding of this profound yet highly practical methodology and share experience in using it to unblock the thinking, creativity and effectiveness of individuals, teams and groups in all sectors and domains.
