

Are you challenged to help people address complex situations or solve intractable problems?

Do you want processes that engage people and tap their collective mind-power?

Do you need to bring people into relationship to explore what makes sense and to create innovative possibilities?

Who should attend

This course is for strategists, leaders, line managers, change agents and consultants, who have attended the LVT Foundation course or its equivalent, and wish to apply LVT with groups of all sizes and across all sectors. It is an essential step towards becoming an Accredited LVT Practitioner. Learn to facilitate;

- Groups with responsibility for achieving significant breakthroughs to new levels of effectiveness
- Groups facing challenges that cannot be addressed by conventional thinking alone
- Groups needing to access their creative potential

What the course covers

The course is designed to effectively apply profound LVT methodology with groups in specific contexts

- How to design and run LVT group processes
- How to guide groups to achieve creative outcomes – fresh thinking and new insights – leading to practical results

Benefits and outcomes from attending

- Handle LVT group processes with confidence
- Optimise challenges and opportunities with client groups
- Develop your repertoire of techniques and processes that challenge people to think creatively and holistically
- Extend learning within a **Community of Practice**
- Become an **Accredited LVT Practitioner** after sharing your practical application at a **Best Practice** event

Facilitating Creativity with LVT is ...

This course is for people already familiar with LogoVisual Thinking (LVT) and wanting to apply it with groups of all sizes. LVT is a practical, hands-on methodology that enables individuals, teams and inter-disciplinary groups to rapidly tackle pressing issues and complex problems, developing shared perspectives and breakthrough results.
