

## Divider

The ThinkingWall Divider is a double sided mobile whiteboard wall which provides a large drywipe and magnetic receptive writing area ideal as a collaboration wall for break out meetings or gathering teams together to share ideas.

- Drywipe and magnetic receptive
- Large double sided working area
- Mobile and repositionable
- Acts as a mobile screen or wall
- Contemporary frameless design

The ThinkingWall Divider is proving popular in large open plan offices where wall space is at a premium. It can be easily moved to wherever required and creates a large multi-functional workspace or mobile writing wall.

The drywipe and magnetic receptive writing surface covers the full face on both sides of the Divider and provides plenty of space for writing, working, thinking and planning.

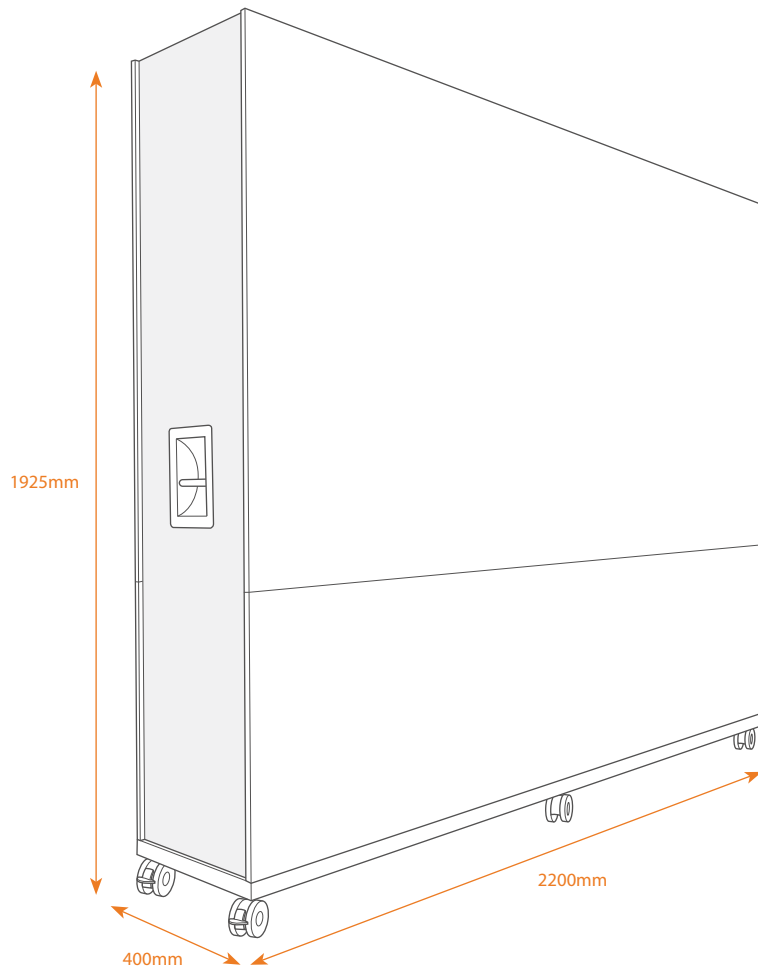

## SPECIFICATION

Overall width: 2200mm  
Overall height: 1925mm  
Overall depth: 400mm

Custom width options available

Set on 6 twin wheel castors with high quality bearings to provide a stable footprint and secure stance. The inset handle at either end helps users guide the unit when moving or re-positioning the Divider.

The stable footprint means there are no feet or extending wheels protruding from the base of the product therefore reducing potential trip hazards.

## COLOURS & CUSTOMISATION

The end panels can be made in a wide range of colours and styles. Either matched to CMYK and Pantone references or custom printed with a bespoke design.
