

Stor

The ThinkingWall Stor is a multifunctional mobile whiteboard. It combines a double sided frameless drywipe and magnetic receptive writing surface with spacious built in storage and adjustable shelves.

- Double sided writing area
- Spacious built in storage area
- Mobile and repositionable
- Adjustable shelves
- Contemporary frameless design

The large drywipe whiteboard faces to both sides of the ThinkingWall Stor offer a large writing area ideal for individual or group work sessions. It uses the same high quality drywipe and magnetic receptive surface as features in the rest of the ThinkingWall product range.

The addition of built in shelving makes the ThinkingWall Stor an ideal multi-functional all in one piece of furniture for a wide range of environments. The integrated storage reduces the need for additional furniture or shelving units to provide an all in one unit.

SPECIFICATION

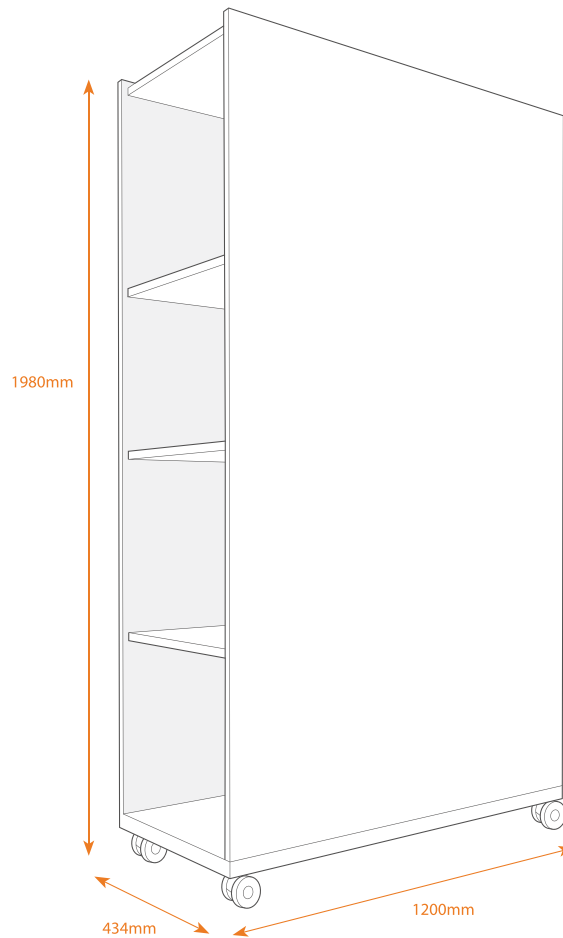

Overall width: 2200mm
Overall height: 1925mm
Overall depth: 400mm

Custom width options available

Each end of the ThinkingWall Stor features 4 spacious storage areas with 2 adjustable shelves to vary the height depending on what is being stored.

The shelves are ideal for books, documents, box files and folders although they can also be used for more decorative items like plants to help brighten up a work area.

The four lockable castors make the ThinkingWall Stor easy to manoeuvre between different spaces or simply used to break up and larger open plan area to create smaller work zones.

CUSTOMISATION

Although our products are designed in a range of standard sizes we often customise or adapt to suit a particular space. Bespoke sizes and configurations are all achievable as all products are manufactured in house in the UK.
