

## Mobile Bench Upholstery Colour Options

The seat pad and stools on the ThinkingWall Mobile Bench are upholstered in a high quality flame retardant fabric available in a choice of colours. This offers the option to choose colours which complement the interior design of your space or link to branding or visual identity.

## Fabric Specification

- 100% post-consumer recycled flame retardant polyester
- TCPP free
- Woven fabric with two-tone micro colour detail
- Weight 380g/m2
- Flammability EN 1021 - 1 (cigarette)
- Flammability EN 1021 - 2 (match)
- Fire Rating EN 13501 Class B, s1, d0

Note: We use Camira RePlay for our bench upholstery as it is hard wearing and offers a wide colour range in a 100% post-consumer recycled fabric. Custom options using other fabrics are available on request.
