

## Custom printed magnetic leaderboard artwork guide

### Size:

500mm (w) x 2000mm (h) x 20mm (thick)

### Artwork:

Artwork should fill the full height of the leaderboard however any critical logos, graphics or images should be placed above the area covered by the base.

30mm bleed is required on all edges and any text should be set in from the edges by 20mm.

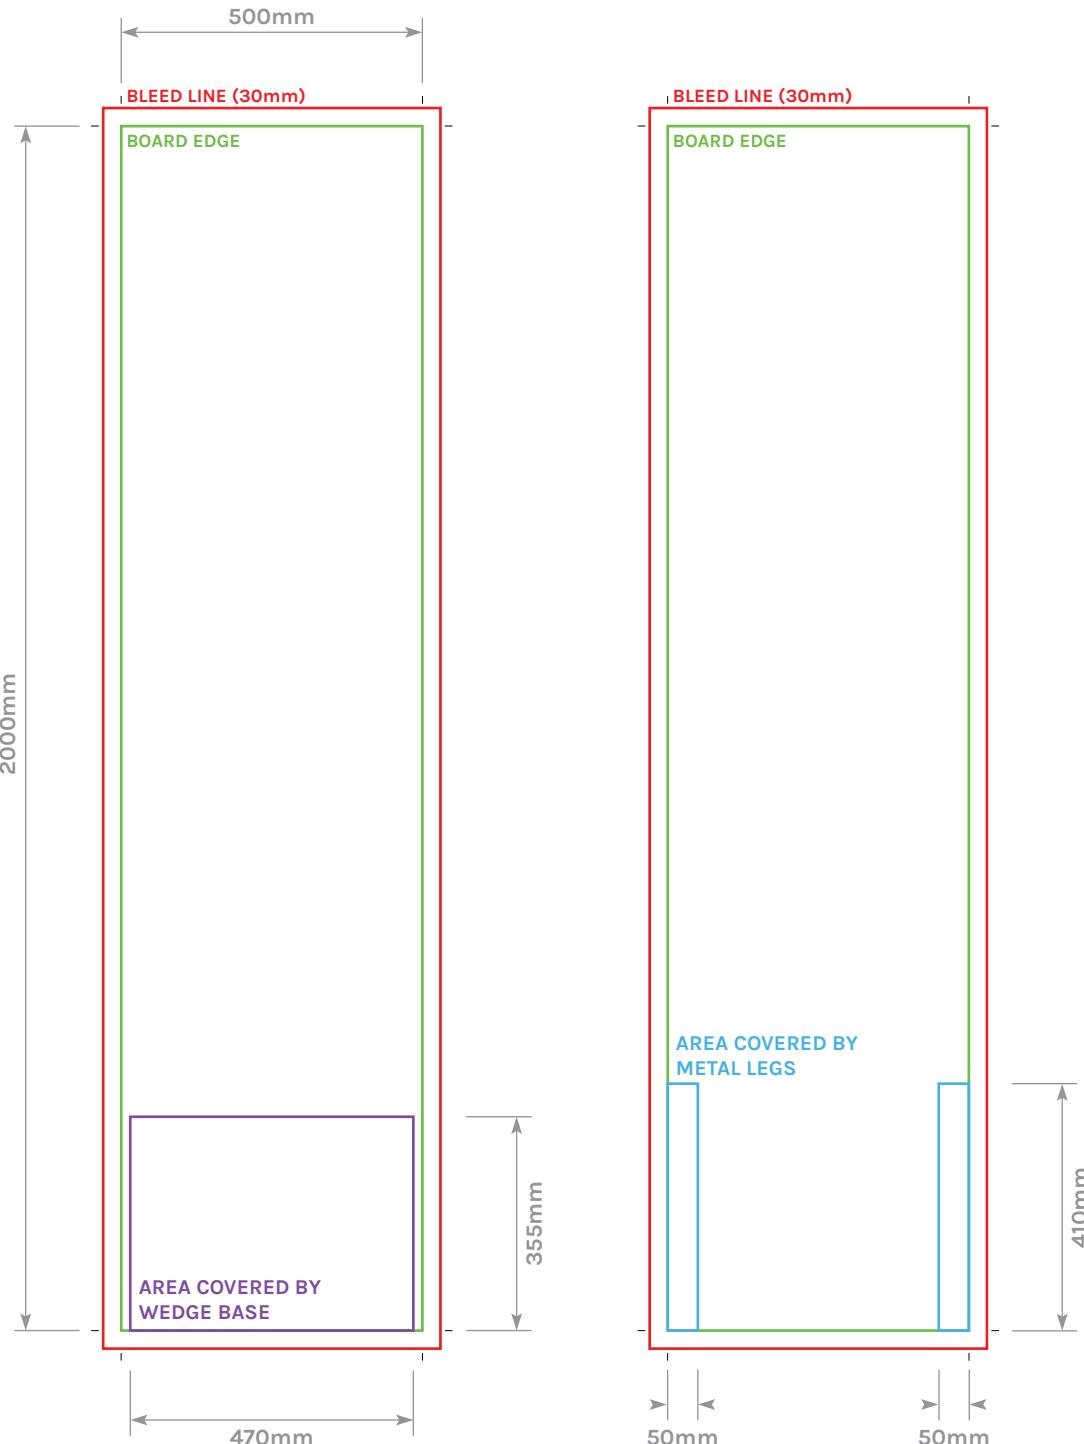

Finished artwork should be supplied as full size PDF with crop marks offset outside the 30mm bleed area.

Artwork templates are available to download from our website

### Base:

Choice of either

- Wedge base
- Metal legs

## Custom printed magnetic leaderboard artwork guide

### Size:

500mm (w) x 1500mm (h) x 20mm (thick)
